RE: Lenz Oil Site Feasibility Study Report - Revision 1
Technical Memorandum No. 4 - Revision 1

Dear Ms. Tierney:

Please find enclosed five (5) copies each of the following reports:

- 1) Lenz Oil Feasibility Study Report, Revision 1, dated March 22, 1995, and
- 2) Technical Memorandum No. 4, Light Nonaqueous Phase Liquid Evaluation, Lenz Oil Site, Lemont, Illinois, Revision 1, dated March 22, 1995.

These reports are being submitted by ERM-North Central, on behalf of the Lenz Oil Participating Respondents.

This Feasibility Study Report (FS) has been revised based on results of the LNAPL investigation at the Lenz Oil Site, and in response to meetings and discussions with the U.S. Environmental Protection Agency (USEPA) and the Illinois Environmental Protection Agency (IEPA) during 1994 and 1995.

The Technical Memorandum No. 4, Revision 1, has been revised in accordance with comments provided in a letter from Mary Tierney, dated February 15, 1995. Where we have modified the text, in response to your comments, we have denoted the original text by striking it out. Inserted revisions, provided in your comments, are highlighted for ease of reference.

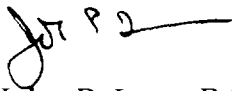

Ms. Mary Tierney

Please note that we have shipped three (3) copies of each of the above documents to the IEPA under cover of this letter.

If you have any questions, please do not hesitate to call me.

Respectfully submitted,

ERM-NORTH CENTRAL, INC.

A handwritten signature in black ink, appearing to read "John P. Imse", with a stylized flourish at the end.

John P. Imse, P.G.
Principal
